

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement and Reallocation.

- Consolidations and Expansions Forms – must be completed if the CoC is consolidating eligible renewal projects or applying for new projects to expand the operations of eligible renewal projects.

- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New, CoC Renewal, YHPD Renewal, YHDP Replacement and Reallocation Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps. Additional training resources are available online on HUD's website

Collaborative Applicant Name: Stanislaus County

2. Reallocation

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2027 to create one or more new projects? Yes

Alert:

As stated in the FY 2026 CoC Program Competition NOFO:

- CoCs may reallocate YHDP projects from any Round to create new YHDP Replacement projects.
- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act.

2A. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC Renewal, DV Renewal or YHDP renewal project funds to create new project application(s) may do so by eliminating one or more expiring eligible projects.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

Continuum of Care (CoC) New Project Listing

Instructions:

To upload all new project applications submitted to this Project Listing, click the "Update List" button. This process may take a few minutes based on the number of new projects submitted by project applicant(s) to your CoC in the e-snaps. You may update each of the Project Listings simultaneously.

To review a project on the New Project Listing, click on the magnifying glass next to each project to view project details.

To view the actual project application, click on the orange folder.

If you identify errors in the project application(s), you can send the application back to the project applicant to make the necessary changes by clicking the amend icon. It is your sole responsibility to ensure all amended projects are resubmitted, approved and ranked or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is prioritizing.

4. Consolidation & Expansion

Instructions:

For guidance on completing the CoC Priority listing, please reference the CoC Priority Listing Detailed Instructions on HUD's website.

1. Is the CoC consolidating renewal projects that will expire in Calendar Year 2027? No
2. Is the CoC expanding renewal projects that will expire in Calendar Year 2027? Yes

Alert:

Applicants applying to Expand or Consolidate existing renewal grants will not be required to submit a combined version of the application.

Projects are prohibited from being included in a consolidation and an expansion in the same fiscal year competition.

4B. Expansion

Instructions

Project applicants can apply to expand eligible renewal projects by combining a renewal project application and up to 2 new expansion project applications. Renewal projects that are part of an expansion must have an expiration date in Calendar Year 2027 (as confirmed on the FY 2026 GIW or eLOCCS), must be the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

The Collaborative Applicant certifies that all projects listed are part of a CoC approved Expansion(s). ☒

The Collaborative Applicant certifies the accuracy of all the individual project applications related to this expansion request(s) ☒

The Collaborative Applicant certifies they have reviewed eLOCCS Operating Start Dates and Expiration dates for all grants listed ☒

CoC must complete the following fields for each Expansion Application submitted.

CA-510 FY26 CoC NOFO Renewal Project Scoring Tool

Performance Evaluation Criteria	Description	Benchmark	Maximum Points
A. PERFORMANCE OUTCOMES: Outcomes that contribute to system performance measures, specifically if the project has been performing satisfactorily and effectively addressing the need(s) for which it was designed. Keep in mind that outcomes will naturally be lower for populations with more severe needs, like those with mental and/or substance use issues or those experiencing chronic homelessness. All objective scores from the APR and other data sources are rounded to the nearest whole number.			
A1. Exits to Housing / Housing Retention (System Performance Measure)	PSH - Percentage of all living participants who remain in PSH or exited to a positive housing destination	> or equal to 95% = 10 points 90 - 94.9% = 8 points 85 - 89.9% = 6 points 80 - 84.9% = 4 points 75 - 79.9% = 2 points <75% = 0 points	10
	TH - Percentage of all participants who exited to a positive housing destination	> or equal to 80% = 10 points 75 - 79.9% = 8 points 70 - 74.9% = 6 points 65 - 69.9% = 4 points 60 - 64.9% = 2 points <60% = 0 points	
A2. Returns to Homelessness (System Performance Measure)	Percentage of all participants who returned to homelessness within 24 months after exiting to a positive housing destination	< or equal to 15% = 20 points 15.1 - 20% = 16 points 20.1 - 25% = 12 points 25.1 - 30% = 8 points 30.1 - 35% = 4 points >35% = 0 points	20
A3. Employment Income (System Performance Measure)	Percentage of adult participants who gained or increased employment income	> or equal to 40% = 10 points 30 - 39.9% = 8 points 20 - 29.9% = 6 points 10 - 19.9% = 4 points 5 - 9.9% = 2 points <5% = 0 points	10

A4. Non-Cash Benefits that Increase Non-Cash Income (System Performance Measure)	Percentage of adult participants who receive non-employment income from any source, based on last annual assessment for stayers and based on exit for leavers	> or equal to 50% = 5 points 40 - 49.9% = 4 points 30 - 39.9% = 3 points 20 - 29.9% = 2 points 10 - 19.9% = 1 points <10% = 0 points	5
B. COMMUNITY OUTCOMES: Objective outcomes that contribute to the community success of the homelessness system as a whole. Is the project's work consistent with community needs and does it consider the severity of the needs and vulnerabilities experienced by program participants in their provision of services? All objective scores from the APR and other data sources are rounded to the nearest whole number.			
B1. Utilization Rates	The percentage of units that were utilized over the FY23 grant year	> or equal to 95% = 23 points 90 - 94.9% = 20 points 85 - 89.9% = 16 points 80 - 84.9% = 12 points 75 - 79.9% = 8 points 70 - 74.9% = 4 points <70% = 0 points	23
B2. Supportive Service Participation Requirements	Describe if your project requires program participants to take part in supportive services (i.e., case management, employment training, substance use disorder treatment) in line with 24 CFR 578.75(h) by providing direct language from supportive service agreements (contract, occupancy agreement, or equivalent)	Full points if project has supportive service participation requirements	2

B3. Serving Priority Populations	Demonstrate the project serves a priority population. According to NOFO policy, priority populations include: disabled, families, older adults, and DV survivors	The project must indicate in their FY24 esnaps application that they have a preference for serving at least one of these populations in addition to serving at least half of that subpopulation in the FY23 grant period. 5 points will be awarded to projects that serve a special population, but less than half of the households from FY23 were in that subpopulation. If there is more than one priority population, those households will be added together to compare against the total households.	10
B4. Lived Experience Decision Making / Feedback Process	Demonstrate a process to incorporate client feedback into program design and improvement and involving people with lived experience in decision making processes	1 point for incorporating client feedback 1 point for including PWLE in decisionmaking	2
C. HMIS DATA. All objective scores from the APR and other data sources are rounded to the nearest whole number.			
C1. Complete Data	Percentage of HMIS Universal Data Elements that are incomplete	< or equal to 5% = 1 point >5% = 0 points	1
C2. Exits to Known Destinations	Percentage of participants who exit to unknown destinations as recorded in HMIS	< or equal to 5% = 1 point >5% = 0 points	1

C3. Data Quality Reports	Number of monthly data quality reports submitted for calendar year 2025 (out of 11 required reports)	11 months = 2 points 10 months = 1 point < or equal to 9 months = 0 points	2
D. AGENCY CAPACITY: Measures agency's capacity to operate CoC Program funding based on grant management (D1 and D2) and organizational capacity (D3 and D4). All objective scores from the APR and other data sources are rounded to the nearest whole number.			
D1. Quarterly Grant Spending	Does the agency draw funds quarterly for the current renewal project?	Each quarter of the year = 1 point; remove points for each quarter funds were not drawn	4
D2. Grant Spenddown	What percentage of funds were spent down in FY23?	100% = 19 points 95 - 99.9% = 16 points 90 - 94.9% = 13 points 85 - 89.9% = 10 points 80 - 84.9% = 7 points 75 - 79.9% = 4 points <75% = 0 points	19
D3. Timely Submission of APR	Did the agency submit the FY23 APR on time?	Submitted on time = Full points Did not submit on time = 0 points	2.5
D4. Unresolved HUD Monitoring / OIG Audit Findings	Does the agency have any unresolved HUD monitoring or OIG audit finding(s) concerning any previous grant term related to the renewal project?	No = Full points Yes = 0 points (partial points considered if there is a plan in place to resolve)	2.5
		Total points	114

CA-510 FY26 CoC NOFO New TH Project Scoring Tool

Performance Evaluation Criteria	Description	Benchmark	Maximum Points
A. HUD REQUIREMENTS: Requirements as outlined in the FY26 NOFO			
A1. Prior Experience with Program Design	The applicant has prior experience operating transitional housing or other projects that have successfully helped homeless individuals and families exit homelessness within 24 months or has a plan in place to ensure homeless individuals and families will exit homelessness within 24 months	Applicant has detailed and realistic plan to operate transitional housing within HUD's guidelines. Only applicants who can demonstrate experience operating TH within these guidelines will receive full points.	2.5
A2. Reduce Returns to Homelessness (System Performance Measure)	The applicant has previously operated or currently operates transitional housing or another homelessness project, or has a plan in place to ensure, that less than 20% of participants who exit to permanent housing destinations will return to homelessness up to 24 months after that exit	Applicant has detailed and realistic plan that <20% of clients return to homelessness after 24 months of exiting to permanent housing destinations. Partial points may be awarded.	20
A3. Employment Income (System Performance Measure)	The applicant has previously operated or currently operates transitional housing or another homelessness project, or has a plan in place to	Applicant has detailed and realistic plan to ensure at least 50% of participants exit with	10

	ensure, that at least 50% of participants exit with employment income as reflected in HMIS or another data system used by the applicant	employment income. Partial points may be awarded.	
A4. Positive Exits	The applicant has previously operated or currently operates transitional housing or another homelessness project, or has a plan in place to ensure, that at least 50% of participants exit to a positive housing destination within 24 months as reflected in HMIS or another data system used by the applicant	Applicant has detailed and realistic plan to ensure at least 50% of participants exit to positive housing destinations. Partial points may be awarded.	2.5
A5. Mainstream Resources / Non-Cash Benefits to Increase Non-Cash Income (System Performance Measure)	The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP	For full points, e-snaps application must indicate a breadth of resources that will be available to participants and plan to connect. Partial points may be awarded.	5
A6. Supportive Service Participation Requirements	Demonstrate that the project requires program participants to take part in supportive services (i.e., case management, employment training, substance use disorder treatment) in line with 24 CFR 578.75(h) by providing direct language from supportive service agreements (contract, occupancy agreement, or equivalent). Note that this is a threshold requirement and	Adequate supportive services + adequate service agreement language = 20 points Adequate supportive services + inadequate agreement = 15 points Inadequate supportive services	20

	your application will be rejected if you do not meet the requirements. Demonstrate that the project will provide and/or partner with other organizations to provide eligible supportive services that are necessary to assist program participants to obtain and maintain housing.	+ adequate agreement = 10 points Inadequate supportive services + inadequate agreement = <5 points (discretion of R&R)	
A7. Individualized Services and Service Plans	Applicant has demonstrated that they will provide individualized services for all participants (except those exempt as described in the NOFO) that will result in at least 20 hours per week and will create service plans for each participant that include which services are provided, when and how often, by whom, participant goals, strategies, and target dates to focus on improved health and wellness, housing stability, and increased employment income leading to financial stability and self-sufficiency. The 20 hours per week of engagement services, activities, or employment is for all program participants. This is a threshold requirement and your application will be rejected if you do not meet the requirements.	To receive full points, the described service plan with at least 20 hours per week of services must demonstrate individualized planning with participant choice and include the requirements as described.	5

A8. Treatment and Recovery	Describe any on-site substance use services that will be provided for program participants. If the project is designed as sober housing as described by HUD in the NOFO, the applicant must details the project design, including any agreements the participants must abide by as it pertains to using substances while in housing and how the program will handle relapses.	A sober housing project that is designed to assist program participants in maintaining sobriety while avoiding unnecessary exits to homelessness will receive 5 points. A project that has on-site substance use services and describes the associated treatment provider(s) will receive 5 points. Partial points may be awarded.	5
B. COMMUNITY OUTCOMES: Objective outcomes that contribute to the community success of the homelessness system as a whole. Will the project address community needs and does it consider the severity of the needs and vulnerabilities experienced by program participants in their provision of services?			
B1. Bed/Unit Utilization	Demonstrate how the project will maintain high bed/unit utilization rates (over 90%)	Applicant has detailed and realistic plan to maintain >90% bed utilization. Partial points may be awarded.	20
B2. Lived Experience Decision Making / Feedback Process	Demonstrate a process to incorporate client feedback into program design and improvement and involving people with lived experience in decision making processes	1 point for incorporating client feedback 1 point for including PWLE in decisionmaking	2

B3. Serving Priority Populations	Demonstrate the project plans to serves a priority population. According to NOFO policy, priority populations include: disabled, families, older adults, and DV survivors	The project must indicate in the project application that this population is a priority in addition to explaining how many households they anticipate serving that meet that subpopulation, which must be at least half.	5
C. AGENCY CAPACITY: Measures agency's capacity to operate CoC Program funding.			
C1. Grant Management Experience	What experience does this agency have with spending federal grant dollars?	Agencies with experience fully spending grant funds will receive full points. Partial points may be awarded.	10
C2. Organizational Capacity	Does the agency have the financial and organizational systems in place to successfully manage this grant? Does the agency have any unresolved HUD monitoring or OIG audit finding(s)?	Agencies with exceptional systems and no unresolved findings will receive full points. Partial points may be awarded.	2
C3. HMIS Data Quality	Does the agency have the capacity to follow the HMIS policies and procedures, including timely and comprehensive data entry, confidentiality, and data quality?	Agencies who grasp the complexity of HMIS data entry and have a plan in place to comply will be awarded full points. Partial points may be awarded.	5

Partial points may be awarded.	9

A4. Exits to Emergency Shelter, Transitional Housing, or Permanent Housing (System Performance Measure)	The proposed project has a strategy for ensuring participants exit to ES, TH, or PH as opposed to exiting to unsheltered homelessness.	For full points, applicant must demonstrate knowledge of successful case management and exit planning strategies	13
A5. Employment Income (System Performance Measure)	The proposed project has a strategy for increasing employment income for participants to increase self-sufficiency	For full points, applicant must demonstrate detailed and realistic plan and include outcome metrics	23
B. COMMUNITY OUTCOMES: Objective outcomes that contribute to the community success of the homelessness system as a whole. Will the project address community needs and does it consider the severity of the needs and vulnerabilities experienced by program participants in their provision of services?			
B1. Number of Households Served and Cost per Household	The number of people served is realistic and will benefit the community. Demonstrate the average cost per household served for the project is reasonable. 2 CFR 200.404.	Full points will be awarded to projects that have a reasonable cost per household according to HUD guidance and that plan to serve an impactful number of households that experience homelessness. Partial points may be awarded.	23
B2. Lived Experience Decision Making / Feedback Process	Demonstrate a process to incorporate client feedback into program design and improvement and involving people with lived experience in decision making processes	1 point for incorporating client feedback 1 point for including PWLE in decision-making	2

B3. Serving Priority Populations	Demonstrate the project plans to serves a priority population. According to NOFO policy, priority populations include: disabled, families, older adults, and DV survivors	The project must indicate in the project application that this population is a priority in addition to explaining how many households they anticipate serving that meet that subpopulation, which must be at least half.	5
C. AGENCY CAPACITY: Measures agency's capacity to operate CoC Program funding.			
C1. Grant Management Experience	What experience does this agency have with spending federal grant dollars?	Agencies with experience fully spending grant funds will receive full points. Partial points may be awarded.	13
C2. Organizational Capacity	Does the agency have the financial and organizational systems in place to successfully manage this grant? Does the agency have any unresolved HUD monitoring or OIG audit finding(s)?	Agencies with exceptional systems and no unresolved findings will receive full points. Partial points may be awarded.	5
C3. HMIS Data Quality	Does the agency have the capacity to follow the HMIS policies and procedures, including timely and comprehensive data entry, confidentiality, and data quality?	Agencies who grasp the complexity of HMIS data entry and have a plan in place to comply will be awarded full points. Partial points may be awarded.	13
